Dear Robin,

Congratulations on being named a Country/Region Award Winner at the Intel® AI Global Impact Festival 2021 in the AI Impact Creators category for the age group 13-18 years for the project-FindTheDog!.

Your award includes:

- A prize of USD 1,500 (If this is a team project, the total amount will be divided evenly among each member)
- An Intel certificate

We will contact you separately with more details.

The first edition of the festival was aimed to provide next-generation technologists, future developers, student innovators an opportunity to celebrate AI as a technology superpower, learn more AI skills and showcase their AI innovations.

We hope that the festival was an enriching experience, and you will continue to innovate and build human-centric responsible AI solutions.

We wish you all the best for your future endeavors.

Sincerely,
